

## Lady Barn House School ETHOS AND AIMS

### **Mission Statement**

*"It is our aim to develop every child, to his/her maximum potential in as many areas as possible."*

Lady Barn House School is a family-orientated school which promotes Christian values.

Our aims are:-

- To develop happy, confident, courteous children, encouraging them to be independent and to take responsibility.
- To encourage our children to show consideration, respect and empathy for the views and cultures of others, creating citizens of the 21<sup>st</sup> century.
- To encourage our children to take pride in themselves, their achievements and their school and to instil in them a love of learning.
- To provide a secure, caring, supportive environment, built on trust and respect, in which each child feels happy and valued.
- To create a well-resourced, stimulating, creative environment that optimises interactive learning and gives children the confidence to develop in as many areas as possible.
- To continue to enhance our family atmosphere, fostering relationships and genuine bonds between teachers, pupils, parents and directors.
- To forge meaningful links with the local and wider community.

*This mission statement is also applicable to the Early Years Department.*
